

VOTEC – El Paso County Contract Addendum for continued use of VoteSafe Management

Made this _____ day of _____ 2018 by and between El Paso County, a political subdivision of the State of Texas, hereinafter referred to as COUNTY, and VOTEC CORPORATION, a corporation with a place of business in San Diego, California, hereinafter referred to as VENDOR.

WHEREAS, COUNTY will be using a non-VENDOR electronic poll book in the coming County fiscal year, and

WHEREAS, COUNTY finds value in the data management functions performed by the VoteSafe software which is VENDOR's electronic poll book software,

NOW THEREFORE, for consideration hereinafter state the parties to the existing contract between VOTEC and El Paso County agree to amend the contract as follows:

SECTION I - VENDOR AGREES

1. To provide continuing Help Desk and telephone support for VoteSafe software installed at COUNTY.
2. To provide updates as developed for other Texas counties and to install such updates if approved by COUNTY.
3. VEMACS support and updates are not affected by this amendment.

SECTION II - COUNTY AGREES

1. To communicate timely with VOTEC regarding any needs for training and/or support.
2. To acknowledge by signing this amendment that the COUNTY has declined to accept VENDOR's claim that only the VoteSafe WelcomeVoter Kiosk supports HAVA's TITLE III Requirements.
3. COUNTY will pay for the services stated above at the rate of \$11,700 per annum with first payment due October 1, 2018.

SECTION III - RENEWAL

COUNTY may renew this amendment by notifying VENDOR by September 1 of each year in which COUNTY would like to renew. Renewals must be made for consecutive years to be able to renew at the terms offered herein.
