Emergency 911
Non-Emergency 546-2280

December 17, 2018

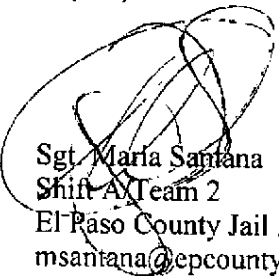

To Whom It May Concern:

My name is Sgt. M. Santana and I am one of the supervisors assigned to the Jail Annex. Whenever an inmate has been transported from our facility to another facility/prison within the State of Texas, they have the opportunity to have family members pick up the property they left behind, i.e. clothes, shoes, identification, etc., usually done within a thirty day time period. After thirty days of the inmate departing, we conduct an inventory of the property and then turn it over to the County Purchasing Dept. for appropriate disposal.

Effective June 5, 2007, anything that has the inmates' personal information is to be returned to the issuing agency, i.e. Drivers licenses, social security cards, TX ID's, etc.

The following Birth Certificates were found in the unclaimed property of inmate's who left our facility.

If you have any questions in reference to this procedure, please feel free to contact me at (915) 856-4831
