Austin, Texas 78701

RE: FY18 Technical Support Grant #18-TS-089

The El Paso County formally requests a six month grant extension for the subject grant. The extension requests is due to the data extraction process taking longer than anticipated and to allow for a full period of time to examine the outcomes of the Indigent Defense Evaluation.

Thank you for your consideration.

Sincerely,

Ricardo A. Samaniego
El Paso County Judge
