How Did Crimestoppers of El Paso Benefit or Assist the El Paso Community?

The Mission Statement of Crimestoppers of El Paso Inc., is to carry out a community offensive against crime by motivating the public to report information about crime that may lead to an arrest and to provide rewards for citizen cooperation.

How The Crime Stoppers Tip Line Works in 3 Steps

- 1** Anyone can submit anonymous tips to Crime Stoppers 24/7 through:
 - The tip line 915-566-8477 (TIPS)
 - www.crimestoppersofelpaso.org
 - Free P3 Tips app.

↓ ↓ ↓

A tip ID is assigned to your tip which can be used to follow-up, provide additional information, and to claim reward money, if your tip leads to an arrest.
- 2** Crime Stoppers Coordinators will refer tips to appropriate law enforcement agencies.

If the information you provided leads to an arrest, a board of directors will discuss and approve the reward amount for each tip submitted.
- 3** When you call back to check the progress of your tip, you will get a reward ID along with instructions on how to collect your reward. It is as simple as going to a prearranged bank, providing the reward ID number to the teller, and receiving your cash reward. No information will be asked of you when you collect your reward.
