

## EXHIBIT “A”

### JOHN HAYES STREET EXTENSION PROJECT PROJECT DESCRIPTION

The parties agree that it is the intent of this Agreement that the Authority design and construct the extension of John Hayes Street. The proposed design work consists of the design required to extend and reconstruct John Hayes Street to include pavement, flex base, raised median, curbs, sidewalks, ADA ramps, illumination, signing and striping, storm drain and detention ponds. The roadway limits are from Pellicano Dr. to Montwood Dr.
