

State of Texas

County of El Paso

Third Amendment to Full Service Deputy Contract

On February 24, 2020, the County of El Paso notified Tri-Star Auto Title Co. that its full service deputy contract #2013-0046 with the County would be terminated effective March 31, 2020. However, via bilateral agreement and Commissioners Court action on March 30, 2020, the contract end date was extended to June 30, 2020.

Through bilateral agreement, both parties now agree to delay that contract termination date to September 30, 2020, as evidenced by their signatures below. All other contract terms and conditions remain the same.

This extension does not alter the status quo of any conditions or circumstances in place at the time of signing (e.g. which employees are licensed to access particular TxDMV systems).
