

Employee Appreciation Week ***Recognition***

Human Resources Department
September 21, 2020

History

- For 9 years, the County hosted an Employee Appreciation Picnic at Ascarate Park for employees and their families as a thank you for their dedication and hard work.
- However this year, due to the pandemic, it was determined that the County would adjust and plan an alternate employee recognition event in 2020.

- Participants submitted creations of art using post-it notes. It is a fun way to transform or bring to life an office space and something that employees and their family members can do together.
