#### v. Sustainability Plan:

The El Paso County Juvenile Probation Department (JPD) is committed to continuing its support of this specialized court by seeking opportunities to fund the program at the local level. Over the past 15 years, JPD has absorbed the vast majority of positions (previously funded by grants) through funding allocated within the general fund. The department's goal is to absorb the remaining position by FY 23 and fund it through the general fund.

#### (2) Programmatic

i. Alignment with County's strategic priorities and/or department/program plan: The JDTC is aligned with the departmental strategic plans vision, mission, and objectives of providing client centered services by implementing principles of effective intervention into its programming and ensuring evidenced based practices are adhered too.

ii. Provision of expansion of services to address critical needs:

Currently program capacity is 24 youth plus their families at any given point in time. There are no immediate plans for program expansion in the upcoming fiscal year.

iii. Department's capacity to administer administrative aspects of the grant:

JPD has been administering CJD grants for over 18 years effectively and efficiently. Accounting and programmatic infrastructure to collect and report data as required is established.

iv. Prior year grant performance data/accomplishments:
