COUNTY OF EL PASO) **INTERLOCAL AGREEMENT**

This Interlocal Agreement (“**Agreement**”) is between the City of El Paso, Texas, (“**City**”) and El Paso County, Texas (“**County**”) by and through their duly authorized officials, pursuant to the Interlocal Cooperation Act. City and County shall be collectively referred to herein as the “**Parties**” and individually as a “**Party**.”

RECITALS

WHEREAS, the City and County are authorized to enter into this Agreement pursuant to the Interlocal Cooperation Act, Chapter 791, Texas Government Code; and

WHEREAS, the City’s Environmental Services Department is responsible for providing a wide range of services to the residents of El Paso, including garbage and curbside recycling collections and management of the Greater El Paso Landfill, “Landfill;” and

WHEREAS, the County’s Public Works Department has traditionally organized Community Cleanup Events throughout the year to collect and dispose of household waste, passenger tires, bulk trash, electronic waste and recyclable materials; and

WHEREAS, the SARS-CoV-2 outbreak of 2020 completely limited the ability for the County to provide community cleanup events given the potential for large groups to gather at the cleanup events; and

WHEREAS, the Parties have a common goal to provide for the public health, safety and welfare of residents throughout the El Paso region;

WHEREAS, the Parties agree it is in their mutual interest to provide a mechanism for residents outside the City of El Paso to safely and responsibly dispose of solid waste, passenger tires, bulk trash, and electronic waste;

FOR THESE REASONS, and in consideration of the mutual promises contained in this Agreement, the Parties mutually agree as follows:

1. **SCOPE OF SERVICES.**

- 1.1 The County will provide tokens to residents throughout the County’s service area, defined as all communities outside the City of El Paso, that may be redeemed at the City Landfill or Westside Citizen Collection Station, “WCCS” (located at 121 Atlantic Road, El Paso, Texas, 79912). The County will acquire, distribute and redistribute these tokens at sole cost to the County.
- 1.2 The County will also provide a listing to residents indicating which items will not be accepted at the Landfill and the WCCS, as provided in Attachment A.

- 1.3 The City shall accept permissible solid waste, as identified in this agreement, in a single vehicle and any accompanying single-axel trailer (irrespective of total weight of both) upon being presented with a token furnished by the County. The customer will be limited to five mattresses for disposal per vehicle.
- 1.4 The City shall also accept passenger tires, without rims, and store them at both sites. The City shall then provide notice, on a monthly basis, of how many tires have been collected and stored at each site for removal at the sole expense of the County. The County will coordinate for the removal with a private vendor at no expense to the City.

2. **EXPENSES.**

2.1 The County will pay the City \$16 per token presented to the City in an amount not to exceed \$32,000. The total expense is estimated to provide for the acceptance of 2,000 vehicles throughout the term of this agreement.

2.2 The City shall provide a monthly invoice to the County stating how many tokens were accepted and at what location. Upon receipt of the invoice, the County shall have 30 days to process the invoice and submit payment to the City.

2.2 Pursuant to Section 791.011(d)(3), Texas Government Code, each party paying for the performance of governmental functions or services will make those payments from current revenues available to the paying Party.

3. **TERM.** The term of this Agreement commences on the Effective Date and ends after the County renders to the City the final payment in accordance to Section 2.2 of this Agreement. Tokens will be accepted for 120 days after the Effective Date. The Effective Date is the date that the last party, either the El Paso County Judge or Mayor of the City of El Paso, signs this Agreement (“**Effective Date**”).

4. **TERMINATION.** The parties may terminate this Agreement by mutual consent in accordance with the terms of a separate written agreement executed by both Parties.

5. **NOTICES AND PAYMENTS.** The Parties will send all notices and payments under this Agreement by postmarked and certified mail. For purposes of this Agreement, all notices and payments are deemed to be received 5 calendar days following the postmark date on the notice or payment. The Parties will deliver all notices and payments under this Agreement to the following addresses:
