**WORK ORDER NO. 001  
ON-CALL CIVIL ENGINEERING CONTRACT WITH  
CONSOR ENGINEERS, LLC**

On May 17th, 2021, the County of El Paso, Texas ("Owner") and CONSOR Engineers, LLC ("Engineer") entered into a professional services contract, 2021-0257 ("Contract") for on-call civil engineering services. The parties now desire to process the first work order within this Contract as specified below. All sections of the Contract remain in fully force and effect.

Work Order Project No. 001 – Eastlake Blvd. Signal Timings

For Owner's Eastlake Signal Timings Project (Tasked Project No. 001) and pursuant to the Contract, County Planning & Development recommends the El Paso County Commissioners Court authorize performance of design services on the Project at a "not to exceed" amount paid once services are completed by Engineer. Engineer's design services for this Project are described in the attached exhibit as well as a not to exceed cost proposal for such services of Ninety Thousand Six Hundred Eighty and 76/100 dollars (\$90,680.76). The exhibit is fully incorporated herein by this reference.

These Engineer design services shall be provided by dates and as specified in the Contract and this exhibit. Payments at or below the not to exceed amount will be made by the County once design services are satisfactorily provided by Engineer, all pursuant to the terms of the Contract.

IN WITNESS, the parties execute this Work Order Project No. 001 authorization on August 2nd, 2021 for Engineer's design services at or below the not to exceed amount described in incorporated exhibit.
