# TRUTH-IN-TAXATION 2022-2023

86TH Regular Session of the Texas Legislature passed SB2 effective January 1, 2020. Bill changes notices, categories and calculations.

## **Two purposes of Truth in Taxation laws:**

- Make taxpayers aware of tax rate proposals
- Allow taxpayers to rollback or limit tax increases – Reduced limit to 3.5%

## **Four Truth in Taxation Principles:**

- Property owners have a right to know about increases in their appraised value and to be notified of estimated taxes that could result from the new value
- A taxing unit other than a water district, must calculate its No-New-Revenue rate (Effective) and Voter-Approval tax rate (Rollback) before adopting a current rate
- A taxing unit must publish a notice about either a public hearing or meeting to adopt a tax rate
- If the taxing unit adopts a rate that exceeds the voter-approval rate, voters may limit the rate
